

Samantia Harvey

You blame me for your mistakes,
So you feel better, do you feel better,
Pushing all your weight on me,
But my shoulders, they can't hold you.

I'd love to pull the knife right out my back,
And return it, you deserve it,
I'd never stoop so low, I'm above all that,
I'll take the high road.

I will forgive, (I will forgive) but I'll never forget, (never forget),
I will forgive, (I will forgive) but I'll never forget it,
Said that I'm over, still hurts like,
Oooh eh ooh eh ooh, You're so damn cruel,
Oooh eh ooh eh ooh,
I will forgive, (I will forgive) but I'll never forget, (I'll never forget)
No I'll never forget.

Your hypocritical heart, always changing, what the truth is,
How dare you call me immature, well it's you, who's got the growing up to do,
I'd love to stab the knife, right in your back, you deserve it, to be hurting,
But I'll never take that road, I'm above all that, so I keep walking,

I will forgive, (I will forgive) but I'll never forget, (never forget),
I will forgive, (I will forgive) but I'll never forget it,
Said that I'm over, still hurts like,
Oooh eh ooh eh ooh, You're so damn cruel,
Oooh eh ooh eh ooh,
I will forgive, (I will forgive) but I'll never forget, (I'll never forget)
No I'll never forget.

Wish your words were all on paper, so I could erase them,
but I know that's never how it goes,
All these memories are so bitter, you have made me stronger,
So I won't forgive, but I'll never forget.

I will forgive, (I will forgive) but I'll never forget, (never forget),
I will forgive, (I will forgive) but I'll never forget it,
Said that I'm over, still hurts like,
Oooh eh ooh eh ooh, You're so damn cruel,
Oooh eh ooh eh ooh,
I will forgive, (I will forgive) but I'll never forget, (I'll never forget),
No I'll never forget.
